Salmon Release Day 2007

Salmon Release Day was held Saturday, May 5 and was attended by approximately 150 people.

This year's event was an informal one with the public invited to participate in our Spring salmon smolt release.

40,000 Chinook and 20,000 Coho were released into Chapman Creek. Some of our releases so far this year are 93,000 Chinook and 90,000 Coho.

We Still Need Volunteers!

Although we have a dedicated band of long time volunteers we still need more help.

If you are interested in volunteering for a couple of hours between 11am and 3pm any day of the week on a regular weekly basis, please call the hatchery at **604-885-4136**.

Or, if there is a time that is more suitable to you, please call us.

There are a wide variety of jobs to be done including fish feeding, tank cleaning, and yard maintenance. Training will be provided, as required.
